## Federal Opportunities

**Grants to Support Accreditation of Opioid Treatment Programs.** *The Department of Health and Human Services, Substance Abuse and Mental Health Services Administration* announces funds for grants to partially subsidize the cost of accreditation of Opioid Treatment Programs (OTPs). The goal of these grants is to reduce the cost of basis accreditation education and accreditation surveys. Eligible applicants include nonprofit organizations, State governmental entities, and political subdivisions. The deadline is December 4, 2001. Approximately \$1.6 million is available to fund 4 to 8 awards. For further information, contact Steve Huda at (301) 443-9666 or [shudak@samhsa.gov](mailto:shudak@samhsa.gov). Also see <http://www.samhsa.gov/grants/grants.html>.

**Cooperative Agreements for the Development and Improvement of Population-Based Birth Defects Surveillance Programs.** *The Department of Health and Human Services, Centers for Disease Control* announces funds to support: 1) The development, implementation, expansion and evaluation of population-based birth defects surveillance systems; 2) the development and implementation or expansion of activities to improve the access of children with birth defects to health services and early intervention programs. State health departments or their bona fide agents are eligible. The deadline is December 7, 2001. Approximately \$2,400,000 is available to fund 4-8 awards in Category I, and 8-10 awards in Category 2. Awards will range from \$50,000 to \$250,000. Contact Virginia Hall-Broadnax at (770) 488-2761 or [vdh2@cdc.gov](mailto:vdh2@cdc.gov). Also see <http://www.cdc.gov/od/pgo/funding/02011.htm>.

**State Implementation Projects for Preventing Secondary Conditions and Promoting the Health of People with Disabilities.** *The Department of Health and Human Services, Centers for Disease Control* announces funds to support States in preventing secondary conditions in persons with disabilities and in implementing effective health promotion and wellness programs for persons with disabilities. State health departments or their bona fide agents are eligible. The deadline is January 10, 2002. Approximately \$5,000,00 is available to fund 4-6 awards in Level I and Level 2 and 6-10 awards in Level II. Awards will range from \$140,000 to \$450,000. For further information, contact Nancy Pillar at (770) 488-2721 or [nfp6@cdc.gov](mailto:nfp6@cdc.gov). Also see <http://www.cdc.gov/od/pgo/funding/02007.htm>.

## District Opportunities

**Updated: Latino Health Partnership.** *The Mayor's Office on Latino Affairs* announces the Latino Community Health Collaboration (LCHC) to provide all Latino residents with a comprehensive and integrated range of health services from infancy and childhood, through to youth and adulthood, and into their senior years. The Collaboration will help to leverage the impact of available funds by consolidating services under a single, coordinated partnership, carried out through several community based clinics and organizations. The Collaboration shall consist of one Health Clinic and two Community Based Organizations.

The total amount of funding available to the entire collaboration is a maximum of \$425,000. Funds must be allocated according to the following framework:

1. Up to \$75,000 for health services to each of the four key population segments (e.g. infants and
